

ReStore Volunteer FAQ

What is the ReStore?

Habitat for Humanity ReStores are nonprofit home improvement stores and donation centers that sell new and gently used furniture, appliances, home accessories, building materials and more to the public at a fraction of the retail price.

What does volunteering at the ReStore mean?

We are currently looking for volunteers to load and unload furniture, clean incoming donations, and organize donations or ReStore shelves.

How do I sign up to volunteer?

You can visit our website at www.wildrivershabitat.org, call us at 715-635-4771 in Spooner, or 715-483-2700 in St. Croix Falls.

Why should I volunteer?

We utilize our volunteers to help us make sure that our donations are clean, in working condition, and are able to be sold.

Do I have to volunteer for a set amount of time?

No! While there is no set time limit for volunteering at the ReStore, we like our volunteers to be able to stay at least an hour. More than that is fantastic!

When can I volunteer?

We have volunteer opportunities during all hours of operation, but we are currently in need of volunteers especially on Fridays and Saturdays.

Are you looking to give back to your community?

Volunteering at the ReStore is a great way to give back. Proceeds from the sale of donated items directly support the efforts of Wild Rivers Habitat for Humanity, and help create strong and stable communities right here in Western Wisconsin.

Do you have a particular skill set?

While we need volunteers who are capable of a wide range of activities, if you have a specific skill set, please let us know and we may be able to utilize you more efficiently.

If you would like to volunteer, please contact us.
