Resource Development for Affordable Housing With Wild Rivers Habitat for Humanity

December 7, 2020 – December 6, 2021

The **Habitat for Humanity of Wisconsin AmeriCorps VISTA** program looks for passionate, committed, and hardworking individuals to strengthen affiliates and increase their capacity. **Habitat for Humanity WI River Area** is a nonprofit founded on the conviction that every family should have a decent, safe, and affordable place to live. They partner with homeowners and the community to build decent, safe, and affordable housing.

The goal of the **Resource Development VISTA project** is to increase support for Habitat's mission and enable the organization to raise more funds and help more families. As an AmeriCorps member, you will create plans for donor engagement, tracking and recognition. You'll develop donor cultivation strategies, research donor prospects, and assist with grants.

To apply:

- Create an application on my.americorps.gov
