## 2022 Girls Can Build Summer Day Camps

Wild Rivers Habitat for Humanity is proud to announce the 2022 Girls Can Build Summer Day Camps! Girls ages 10 - 15 will be able to participate in a week long summer camp that will introduce them to the construction trades, knowledge of tools, and working together to build a project that will be featured in our 2022 Habitat home and repair projects. And it doesn't stop there -- the girls will also be working on individual projects to take home and show off!!
