

September 29, 2017

Dear friends at KJU Construction,

We are so thankful for your generous donation of time and labor to excavate the area for the All Abilities Park! We understand that you came in \$100,000 under the next bidder – AMAZING!

We are so thankful for our friends & neighbors and their support of the Jaycees and the All Abilities Park. On behalf of the Park Committee, the members of the Jaycees and especially the children that the park does and will benefit, we thank you for your generous support.

Gratefully,

Danielle Grotewiel
Park Chairperson

Natalie Cash
Jaycees Chairman of the Board
