

Terms & Conditions

8. Any broken or bent needles, blades and pins need to be disposed of in the jar designated by the studio staff for this purpose.
9. Students must keep work stations neat & tidy throwing away any trash as the class progresses. Keep the floor area around your station clean to prevent any slips and/or accidents.
10. Stop and remove pins as you sew and always place them in the pin cushion or magnet. Never put needles or pins on the table or in your mouth. NEVER sew over pins.
11. Keep your fingers away from the presser foot and needle and sew slowly. Your fingers should not be directly in front of the foot or needle. Keep them to the sides instead.
12. Take your foot completely off the foot pedal whenever you stop sewing.
13. Turn the sewing machine off when you are done using it.
14. Only thread the needle while the sewing machine is turned off.
15. While sewing keep your eyes on the fabric and seam guide. Do not look away!
16. Always place the iron in the upright position or back in its carriage after use. Pay attention to anyone who may be near you when ironing.
17. If you don't know how to do something please ask the instructor instead of your classmates.
18. Clean up after yourself and leave your work station just as you found it when you arrived.

LOST, STOLEN OR DAMAGED PROPERTY

The Sewing Heart shall not be responsible for any lost, stolen or damaged property or belongings.

FINISHING CLASS PROJECTS

We cannot guarantee that any student will finish the class project in its entirety during the class time.

PHOTOGRAPHY/ VIDEO USE

The Sewing Heart may take group and/or individual photos and/or videos of students (and their projects) participating in studio activities for use (without identifying information) online and in any physical or digital marketing materials. All studio attendees and students agree that their picture and/or sound may be used by The Sewing Heart without granting any additional permissions and without compensation.
