

Remembrance Saturday

Craig Cemetery Beautification

October 24, 2026

Historic Old Pickens Presbyterian Church*

You are invited to join your Craig cousins as we gather on the last Saturday of October for a casual service to acknowledge births and deaths recorded in our clan this year.

We invite all who welcomed or lost family members to speak a brief word for their loved one. Bryan Wuest, of Greenville Pipes and Drums, will accompany our gathering on his bagpipes. Those who wish to bring garden tools, or simply enjoy the outdoors, may join the beautification of our beloved cemetery after the service.

***ADA ACCESSIBLE TOILET FACILITIES WILL BE
AVAILABLE ON SITE THIS YEAR***

Set-up and fellowship begin at 9:30 a.m.

Bagpiper and service begin at 10:30 a.m.

Jack Parris will be available to address any questions regarding cemetery and columbarium space.

Jenna Barrett is invited to showcase her genealogy research and update her records for a new CRAIG family history.

As a complement to our annual meeting in June, the Craig Board of Trustees designated Saturday in October as Remembrance Saturday. This recurring date, and early start time, seems to give most football fans a day without too much conflict. Another casual occasion for the Craigs to gather, reflect and restore our beloved cemetery grounds.

Are you a Craig cousin born before 2007? Would you consider giving your time to your larger family group? You can start slowly with social media engagement or helping with the website. We are always looking for younger family members to serve a future term on our board. Visit craigmemorialcemetery.org for more information.

The Craig family wishes to thank our cousin, Craig Ragsdale, and martinprinting.com for the generous in-kind donation of resources needed to print and deliver this mailer.
