Michael Alosilla, M.D.

FACULTY

Michael Alosilla, M.D.

- Attending Neurologist, Palm Beach Neurology
- Associate Director
Palm Beach Movement Disorder Center

Tara Becker, M.D.

- Attending Neurologist, Palm Beach Neurology
- Associate Director
Palm Beach Epilepsy Center
- Assistant Professor of Neurology
Nova Southeastern University
Ft. Lauderdale, Florida

Robert Coppola, D.O.

- Attending Neurologist: Palm Beach
Neurology
- Associate Director
Palm Beach Multiple Sclerosis Center

Manisha Korb, M.D.

- Attending Neurologist: Palm Beach
Neurology
- Associate Director
Palm Beach Neuromuscular Disorder Center

COURSE DIRECTOR

Paul Winner, D.O., F.A.A.N.

- Senior Director
Premiere Research Institute
- Senior Director
Palm Beach Memory Disorder Center
- Senior Director
Palm Beach Headache Center
- Clinical Professor of Neurology
Nova Southeastern University
Fort Lauderdale, Florida

COURSE OBJECTIVES

At the end of this conference participants will be able to discuss the principles of the pathophysiology and new pharmacologic management approaches to neurological disorders. In specific:

Summarize the new necessary Clinical and Biomarkers requirements to diagnosis Alzheimer's Disease. Describe the recent FDA approved disease modifying therapies; as well as, present research therapies for Alzheimer's Disease.

Summarize the clinical issues needed to diagnosis Epilepsy and design effective treatments.

Summarize the treatment strategies for episodic and chronic migraine. Review the evolving research therapies for controlling migraine.

Describe the clinical issues needed to diagnosis the various Neuromuscular Disorders and Peripheral Neuropathy management updates for effective treatments.

Explain the present Multiple Sclerosis updated diagnostic classification and summarize the advances in present treatment strategies.

Describe the clinical issues needed to the diagnosis of Parkinson's and summarize the new therapies for effective treatment.
