Please text

Fri, Jun 16 at 11:58 AM

Peace bro! Questions below.

- 1.. It's showing there are two rooms available that would suffice for my family. If they are gone by the time I can book, how should I handle?
2. How long are you guys willing to give [redacted] and crew to give a definite answer on going into any of these trades? Due to rate increases and mutual agreements with my business partner(wife), I'm ready to pull out

Peace family. If they are gone. You book directly. We got an extension to book by July 11 so we have time. I'll call you shortly and will call [redacted] to remit the \$100,000 back

Okay. When looking to book directly, it didn't show any

Okay. When looking to book directly, it didn't show any availability. We'll keep looking.

How long will you guys be waiting to get a definitive answer from the other options investment group on going into one of these trades?

You book through the link. If not, we get charged a penalty. You only have to pay 30% down for the rooms. I talked **John** is going to call after his meeting

To do the refund

Right and okay thanks. I'll ask him those questions.

Fri, Jun 16 at 3:49 PM

Peace Brendon.

When you have time please give me call

Yesterday 10:58 PM

Good morning Cowya I just woke up. I just got your email.

While you may terminate the agreement with me which is fine it does not entitle you to a refund as the funds are no longer in my custody.

We can discuss further when you are available. Hope this message finds you in good health.

Hey Brendon. Yes let's discuss further later today since you're EST.

Peace, this is crazy. Your wife put 5 business days when we dont know for sure about the transfer happening within that period. That's not what we agreed to as far as putting that verbiage in the email .

Now this is putting extra pressure on me when brendon received the proceeds. I would have never handled this way but it's cool

Tue, Jul 11 at 6:46 PM

One sec family wrapping up a quick call

Peace bro! Yessir

Tue, Jul 11 at 10:20 PM

Peace bro! My wife wasn't on the tail ending of the call so I briefed her on how we planned to move forward with the return of the funds and we would like to discuss some of the things a bit further with you tomorrow when you have time.
