

2024 TRAINING COURSE SCHEDULE

Reliable Environmental Solutions, Inc. is an accredited training provider through the U.S. Environmental Protection Agency (EPA) and approved by the Illinois Department of Public Health (IDPH). Our staff has been approved to provide environmental training courses for the last 27 years, with extensive hands-on experience in the environmental industry.

The IDPH, EPA, and Occupational Health and Safety Administration (OSHA) require individuals that work in specific sectors of the asbestos and lead industries be properly trained in their respective discipline. Reliable Environmental Solutions, Inc. provides the following environmental training courses. Please call or visit our web site to register for courses. We regularly conduct courses at client facilities, please call with any requests.
