## Declaration of Grievance

**New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.**

**Article IV Sections 3 United States Constitution states:**

*New States may be admitted by the Congress into this Union; but no new States shall be formed or erected within the [Jurisdiction](#) of any other State; nor any State be formed by the Junction of two or more States, or parts of States, without the Consent of the Legislatures of the States concerned as well as of the Congress.*

## **New California Declaration of Independence of January 15, 2018 states:**

*“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.*

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.*

*So it is the history of the past and present Governor and Government of California has a history of repeated injuries and usurpations, all having in direct object the establishment of a Tyranny over the Counties of New California and the State of California.*

*Whenever any Form of Government becomes destructive of these ends, it is the Right of the People to seek a constitutional remedy to the abuse of powers”.*

### **Statement of Intent**

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

We are determined to live under a State Government in the United States of America and under the Constitution of the United States.

Therefore the Counties of New California bring forward 40 Grievances against the government of California to be announced in public on Tuesday at 11:00 am each week for 40 weeks.

## Declaration of Grievance

United States Constitution Article VI Section 2 States:

***"This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding."***

The California government and the current governor have fostered, supported, legislated, enacted and enforced unconstitutional laws and regulations in direct violation of Article VI Section 2 known as the "Supremacy Clause".

The California government and current governor are NOT superior to the United States Constitution and the laws which flow from the it. Yet on repeated occasions year after year not by mistake or accident, during the tenure of the current governor and many members of the mono party system, have passed, enacted and enforced laws which stand in direct defiance of the U. S. Constitution. The effect of which has diminished the Constitutional Rights of the Citizens of California to the point as to threaten the Union of States of the United States of America.

Commitment of these acts constitutes sedition by the California government and the current governor.

United States Constitution Article VI Section 2 States:

***"The Senators and Representatives before mentioned, and the Members of the several State Legislatures, and all executive and judicial Officers, both of the United States and of the several States, shall be bound by Oath or Affirmation, to support this Constitution..."***

The California government and the current governor have taken the *California Oath of Office* which states:

"I, \_\_\_\_\_, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States and the Constitution of the State of California against all enemies, foreign and domestic; that I will bear true faith and allegiance to the Constitution of the United States and the Constitution of the State of California; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties upon which I am about to enter"

The California government and the current governor have violated their oaths of office over repeated usurpations, legislative acts and regulations which are now a direct threat to the existence of the United States of America.

All legislators and governors of any state in this Union must recognize the supremacy of the federal Constitution. Obedience to the state executive and legislature, which are in league with rebellion against the United States Constitution are rendered disloyal to the Federal Government.

Therefore the California government in conjunction with the state executive, instituted wherever their usurped power extends, a reign of terror on the citizens of California and the United States of America.

By their own actions the California government and the current governor have abdicated their responsibilities and their authority over the people of California

**This concludes these proceedings.**
