**Subject:** RE: Request for oath of office and bond  
**Importance:** High

Dear Mr. John:

Thank you for contacting the Secretary of State with your Public Records Act request for a copy of the oath of office and bond for Secretary of State Debra Bowen.

After a diligent search, our office has located two oaths of office for Secretary of State Debra Bowen, dated January 8, 2007, and January 4, 2011.

The Secretary of State is not required to file a bond and we have no document responsive to this request.

California law, including the California Public Records Act, permits the Secretary of State to charge a fee for providing copies of its records. The fee is \$1.00 for the first page and \$0.50 for each page thereafter. Certification is an additional \$5.00. If you would like copies of these single-page oaths of office, please send a check for the appropriate amount made payable to the Secretary of State. Upon receipt of payment, we will forward the requested copies to you.

We hope this information is helpful. If you have questions about this or another matter related to the Secretary of State's office, please contact us again.

Sincerely,

Constituent Affairs  
Secretary of State
