

State of New California

NOTICE

TO ALL CALIFORNIANS!

Grievance 14

April 24, 2018

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Article IV Section 3 United States Constitution states:

New States may be admitted by the Congress into this Union; but no new States shall be formed or erected within the [Jurisdiction](#) of any other State; nor any State be formed by the Junction of two or more States, or parts of States, without the Consent of the Legislatures of the States concerned as well as of the Congress.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States”.

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

So it is the history of the past and present Governor and Government of California who have a history of repeated injuries and usurpations, all having in direct object the establishment of a Tyranny over the Counties of New California and the State of California.

Whenever any Form of Government becomes destructive of these ends, it is the Right of the People to seek a constitutional remedy to the abuse of powers”.

Declaration of Grievance

First Amendment of the United States Constitution states:

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances

Therefore the Counties of New California bring forward 40 Grievances against the government of California to be announced in public on Tuesday at 11:00 am each week for 40 weeks.

State of New California

Grievance 14

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across it's southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America. All caused by a government of and for a mono party system lead by a tyrannical dictator.

Declaration of Grievance

First Amendment of the United States Constitution states:

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

The California mono party system passed Assembly Bill 2943 which inserts provisions into the state's Business and Profession Code that *"Advertising, offering to engage in, or engaging in sexual orientation change efforts with an individual"* is a deceptive business practice subject to fines and penalties.

AB-2943 would “*prohibit a bookstore from selling a book in which a Christian author urges people to repent of sexual immorality, which is identified as including homosexuality and to take their strength in the sacrificial love of Christ.*” (Romans 1:24-26)

The plain and ordinary meaning of the words used in AB 2943 will lead to the ***removal*** of all books from libraries and bookstores that offer “orthodox Christian teaching on human sexuality” including the ***Bible***.

The First Amendment of the United States Constitution states: ***Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof.....***

The First Amendment’s *Establishment Clause* further prohibits the government from making any law “***respecting an establishment of religion.***” This clause not only forbids the government from establishing an official religion, but also prohibits government actions that unduly favor one religion over another.

Religious liberty is protected by the First Amendment against invasion by the nation is also “***protected by the Fourteenth Amendment against invasion by the states***”.

Now the living embodiment of all policies totalitarian the current California governor and the mono party system is destroying the First Amendment Rights of United States Citizens living in California.

Utilizing ***Marxist-Leninist*** and ***Maoist revolutionary tactics*** the California governor, mono party system and local government officials support and celebrate these tactics as a means to introduce *state atheism* and destroy every American’s Constitutional Rights.

Acts of Secession

Therefore the California government in conjunction with the state executive, instituted wherever the current governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which gives Us our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting governor of California the mono party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of California.

This concludes these proceedings.
