New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

NEW CALIFORNIA

Grievance 77

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

A COMMUNIST STATE IS THE ORDER OF THE DAY

California's mono-party political machine, its socialist Governor, along with socialist elected officials, agencies, and regional governance boards, are colluding to create a Communist California state in direct violation of both Article IV, Section 4 and Article VI of the United States Constitution.

In a recent article in the EPOCH TIMES it was revealed the nations largest retirement fund the California Public Retirement System “CalPers” has been investing in the Communist Chinese Peoples Liberation Army (PLA).

From the EPOCH TIMES:

“Newly discovered deep ties between the chief investment officer (CIO) of the California Public Employees Retirement System (CalPERS) and the Chinese government, along with CalPERS’s [China](#) investment holdings, have provoked controversy about the operations of the largest public retirement fund in the United States.

CalPERS manages more than \$350 billion for public employees either retired from or currently working for most of the state and local public agencies in California. The fund holds tens of millions of shares in equities of Chinese companies. Among other things, these companies develop advanced weapons for China’s People’s Liberation Army (PLA), and, according to one expert, are involved in unethical business practices and human rights abuses, including the concentration camps holding Uyghurs in Xinjiang.

According to a 2017 report by People’s Daily, the official mouthpiece of the Chinese Communist Party (CCP), CalPERS’s current CIO, Yu “Ben” Meng, as of 2015 was a participant in the Chinese government’s prestigious headhunting program called the Thousand Talents Plan (TTP).

In [testimony by the FBI](#) to the U.S. Senate Judiciary Committee in December 2018, the TTP was called part of “China’s non-traditional espionage against the United States.”

“Based on its [2017–2018 annual investment report](#), CalPERS invested in more than 100 Chinese companies. Among them are companies related to China’s military, cyberwarfare, human rights abusers, and defense industries, and some that have been cited for unethical business practices outside China”.

California’s trajectory toward totalitarianism is now revealed. With such deep financial ties to Communist China through the largest retirement fund (CALPERS) in the nation there is no doubt the plan to convert California into a Communist state modeled after the largest Communist nation in the world is in the advanced stages of development.

The race is now on to not just save California as a member state in the Union of States known as the United States of America but the race is on to save the United States of America and the 50 states that form the Union of States itself.

New California State movement stands in the breach to save the Union of States known as the United States of America.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
