

State of New California

NOTICE

TO ALL CALIFORNIANS!

Grievance 79

July 30, 2019

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

The Counties of New California bring forward 95 Grievances to be announced in public on Tuesday at 11:00 am.

NEW CALIFORNIA

Grievance 79

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

ORDER OF THE DAY

KEEPING THE PRESIDENT OFF THE BALLOT

California's mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a Communist California state in direct violation of both Article IV, Section 4 and Article VI of the United States Constitution.

California Senate Bill 27 was sent to the socialist governor's office on July 15, 2019 after passing the Senate 29-10 and the Assembly 57-17 along party lines. The socialist governor has until July 30, 2019 to act on SB 27. Introduced by two communist senators it would require presidential and gubernatorial candidates to release their most recent five years of tax returns as a prerequisite for appearing on the California ballot.

Lawmakers in 25 states have introduced bills linking ballot eligibility to presidential candidates releasing their tax returns. The *Nexis* news database shows California to be the only state that has sent such a measure to the governor.

Both communist senators who authored the bill reject characterizations that SB 27 is an attempt to punish the President, who has famously feuded with California officials via the media and in court since he began his presidential campaign in 2015. Instead, the two communist senate authors say SB 27 is an attempt to preserve "democratic" norms by ensuring that voters know about candidates' financial entanglements before they become U.S. president or governor of the nation's richest, most populous state.

It's unclear, however, whether the measure is constitutional. Some attorneys say the Constitution has long enshrined states' rights, including partial sovereignty, on many fronts. The U.S. Supreme Court has held a state cannot add additional qualifications for candidates for federal office. California's legislative counsel cited this history in a 2017 opinion raising doubts about whether Trump could be compelled to release his taxes as a precondition of getting on the Golden State's ballot.

The former socialist governor vetoed a similar bill, cited bad precedent in vetoing similar legislation in 2017, Brown not only questioned its constitutionality, he worried about the precedent it would set in his veto message.

"Today we require tax returns, but what would be next? Five years of health records? A certified birth certificate? High school report cards? And will these requirements vary depending on which political party is in power?" he wrote. California's enactment would start the U.S. "down a road that well might lead to an ever escalating set of differing state requirements for presidential candidates."

The communist in the California legislature along with socialist governor have now weaponized the entire governance machine of the largest state in the Union creating yet another totalitarian tool designed to destroy the Constitutional Rights of United States Citizens living in California.

California's trajectory toward totalitarianism is now being revealed. California is in the advanced stages of turning into a Communist state modeled after both the Soviet Union and China the largest Communist nation in the world.

The race is now on to not just save California as a member state in the Union of States known as the United States of America but the race is on to save the United States of America and the 50 states that form the Union of States itself.

New California State movement stands in the breach to save the Union of States known as the United States of America.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
