

State of New California

NOTICE

TO ALL CALIFORNIANS!

Grievance 20

June 5, 2018

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Article IV Section 3 United States Constitution states:

New States may be admitted by the Congress into this Union; but no new States shall be formed or erected within the [Jurisdiction](#) of any other State; nor any State be formed by the Junction of two or more States, or parts of States, without the Consent of the Legislatures of the States concerned as well as of the Congress.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States”.

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

So it is the history of the past and present Governor and Government of California who have a history of repeated injuries and usurpations, all having in direct Object the establishment of a Tyranny over the Counties of New California and the State of California.

Whenever any Form of Government becomes destructive of these ends, it is the Right of the People to seek a constitutional remedy to the abuse of powers”.

First Amendment of the United States Constitution states:

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances

Therefore the Counties of New California bring forward 40 Grievances against the government of California to be announced in public on Tuesday at 11:00 am each week for 40 weeks.

State of New California

Grievance 20

Statement of Facts

The people of California are suffering from a tyrannical communist state government which fails to provide a republican form of governance, enables and supports across it's southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America. All caused by a government of and for a mono party system lead by a tyrannical dictator.

Declaration of Grievance

The 2nd Amendment of the

United States Constitution states:

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

United States Constitution Article IV Section 4 states:

The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.

Failure of the government of California to provide a republican form of government

Failure of the government of California to protect against domestic violence

The **Second Amendment** to the United States Constitution protects the right of the people to keep and bear arms and was adopted on December 15, 1791, as part of the first ten amendments contained in the Bill of Rights.

The Second Amendment is an auxiliary right, supporting the natural rights of self-defense and resistance to oppression, and the civic duty to act in concert in defense of the state.

The communist California governor, the communist mono party system and mono party legislature is entrapping law abiding California Citizens who are exercising their 2nd Amendment Right to keep and bear arms by forcing Citizens to register their firearms with the state. Failing to register is a crime.

The California communist mono party legislature is aggressively passing legislation to restrict Citizens ability to own firearms with the deliberate intent to disarm all Citizens of California leaving only criminals, the cartels and the communist California government with firearms.

History has well documented those governments who have disarmed their citizens. Adolph Hitler used similar legislative tactics on the German citizens in 1938 as those we are now seeing being utilized by the California communist mono party legislature and the communist governor who eagerly signs the bills into law.

In the last century the following happened when governments forced citizens to first register then confiscated their firearms.

Turkey disarmed its citizens, between 1915–1917
then murdered 1.5 million Armenians.

Russia disarmed its citizens between 1929–1953
then murdered 20 million Russians.

China disarmed its citizens between 1948–1952
then murdered 20 million Chinese.

Germany disarmed its citizens between 1939–1945
then murdered 16 million Jews and others.

Cambodia disarmed its citizens between 1975–1977
then murdered 1 million “Educated” people.

Guatemala disarmed its citizens between 1964–1981
then murdered 100,000 Mayan Indians.

Uganda disarmed its citizens between 1971–1979
then murdered 300,000 Christians.

Utilizing *Marxist-Leninist* and *Maoist revolutionary tactics* the communist California governor, mono party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of the United States of America.

Acts of Secession

Therefore the California communist government in conjunction with the communist state executive, instituted wherever the current communist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which gives Us our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting communist governor of California the mono party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

This concludes these proceedings.
