WHEREAS, the people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America. All caused by a government of and for a mono party system lead by a tyrannical dictator; and

WHEREAS, The United States Citizens of New California do invoke their Constitutional right to redress of grievances as well as their right to self-defense and defense of our communities; and

WHEREAS, the rogue tyrannical and secessionist government of California, existing in a state of rebellion and insurrection, as referred to in the U.S. Constitution has become a state sponsor of terror in its support of communist revolutionaries.

WHEREAS, the tyrannical California government and the current tyrannical governor are enabling and perpetuating a war zone across the northern border of Mexico and southern border of California. Characterized by the trafficking in human flesh and slavery, drugs, weapons, money laundering and political assassinations this Mexi-Cali war zone can only exist through the continued criminal negligence by the tyrannical California government and the tyrannical governor's failure to secure our southern border; and

WHEREAS, the government of California, the current governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in acts of insurrection against the U.S. Constitution.

WHEREAS, the California Republic now actively works against the principles of liberty through its departments, in its schools, and in arbitrary, selective enforcement of laws; and

WHEREAS, the citizens of California owe their primary allegiance to the United States of America, and daily are put at risk of their safety, happiness, security, and livelihood by the damage the rogue government of California has perpetrated on the territorial integrity of the California border, which is also the United States border.

WHEREAS, this crime also threatens to disaffect us from our common bond to the other states in the union thereby creating an existential threat to the territorial integrity of the United States of America.

WHEREAS, by intending and conspiring to secede from the United States of America, the rogue governor and his associates have created an existential threat to the citizenship status of those United States citizens living in California, putting the birthright and posterity of Californians with loyalty to the United States of America at risk and peril and

WHEREAS, the California Republic through its officers is specifically importing foreigners to dilute the influence of citizens and destroy the culture of the once proud Bear Flag Republic; and holds in direct contempt its citizens who still hold to the ideas of liberty; and

WHEREAS, now, like the historical tyrannical governments of the world, the California Republic seeks to remove the right of its citizens to defend these principles both in speech and action.

WHEREAS, the California Republic now is openly hostile to the idea of government of, by, and for the people, in its repeated attempts to disenfranchise citizens and destroy both the state and Federal Republic through foreign influence; and

WHEREAS, the actions of the California Republic contradict the tenants of both the original formation of the Bear Flag Republic and its eventual joining of the Federal Republic under many of the same auspices; and

WHEREAS, the federal government has reneged on its obligation under Article IV, Section Four of the United States to guarantee to every State in this Union a republican form of government; and

WHEREAS, Article IV, Section Four of the United States' Constitution guarantees each member state that the federal government "shall protect each of them against invasion" to protect the Federal Union; and therefore, the federal government has further reneged on this obligation; and

WHEREAS, the citizens of the California Republic are now forced to live under occupation by a government not of our choosing in violation of the ideals of both the Bear Flag Republic and the Whig Republic of the Federal Union constituting what is nothing less than treason, insurrection, and a state of undeclared war against the citizens of California, the United States.

WHEREAS, the citizens of California, in the tradition of the Founders of the United States, seek to rejoin the United States and live under the tenants of liberty our fathers and grandfathers fought, bled, and died for; and these citizens who support the traditional liberties that are our birthright as Californians and Americans do seek a state of our own to be known as New California State; and

WHEREAS, we as the citizens of New California State pray the President of these United States of America exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon United States citizens living in California.

NOW THEREFORE, BE IT RESOLVED, we as the citizens of New California State, having observed the takeover and corruption of our once proud republic, give a clarion warning to the other states of the union that the old California Republic has been the experimental laboratory for what the enemies of liberty seek to export to other states for the destruction of the republican forms of government they hate.

Insurrection

The government of California, the current governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting communist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.
