## Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

**California State Government is in Direct Violation of the Following:**

### **United States Constitution Article IV Section 4**

***"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."***

### **United States Constitution Article VI Section 2**

***This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.***

### **DEATH OF THE CALIFORNIA REPUBLICAN PARTY IS THE ORDER OF THE DAY**

The California socialist governor the socialist mono party government along with socialist county, city officials and "Party" apparatchiks are engaging in the destruction of the republican form of government as required by Article IV, Section 3 of the United States Constitution.

The California Republican Party is now a “dead” party in the state of California. The party was killed by the actions of the socialist and communist who systematically over 50 years followed a specific plan and design to destroy the multiple party system that provided a republican form of government.

The process began in 1964 with the Supreme Court decision of Reynolds v Sims which in effect destroyed the little federal model of representation. In 1966 Proposition 1 brought the “professional” legislature which called for an 11 month “year round” legislature. Next was the 1990 introduction of term limits which allowed for a previous socialist governor to resurface on the political scene in 2010 to enjoy 8 more years of socialist rule.

In the year 2008 a redistricting proposition for state officials was approved followed by a similar proposition in 2010 for the House of Representatives. To insure the total destruction of the republican form of government for California the “top two” primary ballot initiative was passed in 2010. All three ballot initiatives were sponsored by Republican Party leaders.

Today the Republican Party is a shell of a party deemed to be of no value in California politics. The current Republicans are attempting to make themselves appear to be important by fear mongering against the current President of the United States while supporting radical green sustainable movements, open borders, sanctuary state, increased entitlements to increase dependency, no support for county sheriffs and law enforcement.

The “Democratic” Party is the next party to be destroyed. For those who remember their history or even understand socialism know that a dictator does not need a “party” system or “representatives” as you find in a republican form of government.

The end result to date is the rise of the dictator to be the supreme ruler of the state of California. Totalitarians demand the destruction of the United States Constitution, Bill of Rights and the Declaration of Independence. Totalitarians are well nested in the government of California and they are working feverishly to destroy the ideals of the United States of America.

**NEW CALIFORNIA STATE WILL NOT TOLERATE THE  
RISE IF THE TOTALITARIAN.**

## **Insurrection**

The government of California, the current governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

## **Acts of Secession**

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

## **Abdication of Authority**

Betrayal by the sitting communist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

## **Prayer**

**The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.**

This concludes these proceedings. *newcaliforniastate.com* (877) 828 2753
