## **Declaration of Grievance**

### **Statement of Facts**

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

**California State Government is in Direct Violation of the Following:**

#### **United States Constitution Article IV Section 4**

***"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."***

#### **United States Constitution Article VI Section 2**

***This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.***

#### **COMPLETE LAWLESSNESS IS THE ORDER OF THE DAY**

The California socialist governor the socialist mono party government along with socialist county, city officials and "Party" apparatchiks are now calling for complete lawlessness as they engage in the destruction of the state of California.

The socialist governor of California has now called for the suspension of the death penalty for over 700 vicious criminals who were convicted by the California courts for their crimes. Ignoring the will of the voters the socialist governor used dictatorial powers to in effect declare these vicious criminals innocent and in fact persecuted victims by the criminal justice system.

The California socialist governor signed an executive order that would place a moratorium on the state's death penalty, according to his office. The socialist governor then used his executive authority to halt the use of the death penalty.

The socialist governor's office detailed the plan to halt the death penalty for all 737 vicious criminals on California's death row, the nation's largest.

The socialist governor stated:

*"Here is the bottom line," ... "Our death penalty system has been — by any measure — a failure. It has discriminated against defendants who are mentally ill, black and brown, or can't afford expensive legal representation. It has provided no public safety benefit or value as a deterrent. It has wasted billions of taxpayer dollars. But most of all, the death penalty is absolute. Irreversible and irreparable in the event of human error."*

The move comes as a judge was expected to rule on California's recently submitted execution protocol to establish a constitutional method for lethal injection. A ruling in favor of the protocol would have reopened the door to executions. California's last execution was in 2006.

The California socialist governor's executive action will include a reprieve for all of the state's death row inmates, a withdrawal of the state's lethal injection protocol and "immediate" closure of the execution chamber at San Quentin State Prison, according to the statement

The Socialist governor declared the moratorium does not mean anyone will be released or have sentences altered under this action.

Using irrational thought and racist reasoning the socialist governor is all but ignoring the rule of law and is acting outside his legal authority without the consent of the voters or the legislature and in effect acting as third world dictator to further the expansion of criminal cartels.

The new pain the socialist dictator has now brought to the families of the victims of some of the states most vicious criminals directly points to violations of Article IV, Section 4 and Article VI Section 2 of the United States Constitution.

More importantly the socialist California Governor has demonstrated he will continue a long train of abuses of the law on his way to create a society in which criminal behavior is celebrated and encouraged that will result in the breakdown of the rule of law.

## **NEW CALIFORNIA STATE WILL NOT TOLERATE THE RISE IF THE TOTALITARIAN.**

### **Insurrection**

The government of California, the current governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

### **Acts of Secession**

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

### **Abdication of Authority**

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

### **Prayer**

**The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.**

This concludes these proceedings. *newcaliforniastate.com* (877) 828 2753
