## Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

**California State Government is in Direct Violation of the Following:**

### **United States Constitution Article IV Section 4**

***"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."***

### **United States Constitution Article VI Section 2**

***This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.***

### **ABSOLUTE LAWLESSNESS IS THE ORDER OF THE DAY**

The California socialist governor the socialist mono party government along with socialist county, city officials and "Party" apparatchiks are now calling for absolute lawlessness as they engage in the destruction of the state of California.

The socialist governor of California has now called for the suspension of the death penalty for over 737 vicious criminals who were convicted by the California courts for their crimes. Ignoring the will of the voters the socialist governor used dictatorial powers to in effect declare these vicious criminals innocent.

The Association of Deputy District Attorneys issued the following statement regarding the decision by the socialist governor to put a moratorium on the Death Penalty.

*“The voters of the State of California support the death penalty. That is powerfully demonstrated by their approval of Proposition 66 in 2016 to ensure the death penalty is implemented, and their rejection of measures to end the death penalty in 2016 and 2006. Governor Newsom, who supported the failed initiative to end the death penalty in 2006, is usurping the express will of California voters and substituting his personal preferences via this hasty and ill-considered moratorium on the death penalty”.*

*Michele Hanisee is President of the Association of Los Angeles Deputy District Attorneys and wrote the following about the socialist legislature:*

***“State Legislature Continues Its Unwavering Commitment To Undermining Public Safety***

*The most dangerous number in Sacramento these days? 1182.*

*That’s the designation of the latest assault on public safety. Assembly Bill 1182, introduced earlier this month, it would reduce the amount of time even dangerous offenders must spend on parole after being released from prison.*

*If passed, it will march in lockstep alongside Proposition 47, Proposition 57, SB 1391 and AB 109 in the parade of criminal-coddling legislation that the governor and state Legislature have foisted on an unwitting public in recent years.*

*Here are some of AB 1182’s lowlights:*

- AB 1182 would reduce from one year to 180 days the amount of parole time for certain criminals who are released from state prison after serving sentences for serious felonies, including horrific sex offenses.*
- AB 1182 would drop the parole-service requirement from either two or three years to either one or two years for high-risk offenders.*
- AB 1182 would require that criminals who have been released to county parole supervision be discharged from parole after six consecutive months in the absence of a parole violation. Under current law, these offenders must only be considered for discharge.*

*• AB 1182 also strips the California Department of Corrections and Rehabilitation of its ability to recommend certain offenders be retained on parole.*

*The motivation for wanting to relax supervision of dangerous felons remains unclear.*

*Law-abiding Californians simply cannot afford any more assaults on their rights to live peacefully and without constant fear of being victimized by brutal criminals. Previous pro-criminal measures have had demonstrable and disastrous effects.*

*Prop. 47 reduced a host of offenses to misdemeanors and encouraged thieves to continue stealing”.*

Using irrational thought and racist reasoning the socialist legislature is all but ignoring the rule of law and acting outside their legal authority without the consent of the voters in effect acting like third world dictators to further the expansion of criminal cartels.

The pain the socialist dictators have now brought to the families of the victims of some of the states most vicious criminals directly points to violations of Article IV, Section 4 and Article VI Section 2 of the United States Constitution.

More importantly the socialist California government have demonstrated they will continue a long train of abuses of the law on their way to create a society in which criminal behavior is celebrated and encouraged resulting in the breakdown of the rule of law.

## **NEW CALIFORNIA STATE WILL NOT TOLERATE THE RISE IF THE TOTALITARIAN.**

### **Insurrection**

The government of California, the current governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in *acts of insurrection* against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

### **Acts of Secession**

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the

intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

## **Abdication of Authority**

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

## **Prayer**

**The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.**

This concludes these proceedings. *newcaliforniastate.com* (877) 828 2753
