Originally chartered in 1900, Gunsight Lodge No. 838 was reconstituted in Galveston, Texas on December 3, 2022. Gunsight meets on the Fifth Monday and dedicated to raising funds to contribute to the restoration of Battleship USS Texas (BB-35).

Funds will be raised in the form of festive boards which will be immediately following our stated meeting in a restaurant in Galveston, Texas. The ship is currently in Dry Dock being repaired and its next home location has not yet been determined but it will be in the Southeast Texas Gulf Coast area.
