

Opening: Middle School Science teacher

Parish/School: Nativity Academy at St. Boniface

Description: Nativity Academy is seeking a dynamic and motivated educator to teach 6, 7, and 8 grade Science. We are looking for an individual who can utilize best practices in education to provide engaging, hands-on learning experiences that are applicable to the real world and performance-based. Nativity Academy at St. Boniface is an independent, Catholic middle school serving grades 6 through 8, that provides a foundation for a life without limits. Nativity follows a traditional academic school day, mandatory after school and summer programming, and provides a Graduate Support Program that follows grads to and through high school. The staff is expected to provide unwavering motivation and support and encourage each student to realize his or her full potential as a productive member of society. Nativity seeks to prepare its students to be leaders in their communities, experience success in rigorous college prep high schools, and go on to attend post-secondary education. Nativity Academy is a member of the national level NativityMiguel Coalition of Schools. Families must demonstrate financial need as determined by Federal Poverty guidelines in order to attend our tuition-free school. Salary is commensurate with the education and experience of the candidate and competitive with Louisville Catholic high school and JCPS pay scales.

Qualifications: Ideal candidates hold teaching certification, have relevant teaching experience, and are collaborative, flexible, reliable, and enthusiastic.
