## **Annexure A – Terms of New Options**

The terms and conditions of the Options (in this Annexure A, the **Options**) are as follows:

### **1. Entitlement**

Each Option entitles the holder to subscribe for one fully paid ordinary share (**Share**) in the Company upon exercise of the Option.

### **2. Exercise Price**

The amount payable upon exercise of each Option will be **\$1.00 (Exercise Price)**.

### **3. Expiry Date**

Each Option will expire at **5.00pm (Sydney time) on 31 March 2030 (Expiry Date)**. An Option not exercised before the Expiry Date will lapse.

### **4. Exercise Period**

The Options are exercisable at any time on or prior to the Expiry Date (**Exercise Period**).

### **5. Notice of Exercise**

The Options may be exercised during the Exercise Period by notice in writing to the Company in the manner specified on the Option certificate, or as otherwise specified by the Company (**Notice of Exercise**), and, the Company receiving, in full, payment in AUD of the Exercise Price for each Option being exercised.

### **6. Exercise Date**

Option exercise can only occur upon receipt by the Company of a duly completed Notice of Exercise & the cleared funds, in AUD, required to pay the Exercise Price for ALL Options being exercised. Within 20 business days, the Company will convert the quantity of options being exercised to the equivalent number of Fully Paid Ordinary Shares (required under these terms and conditions), at an issue price equivalent to the strike price of the options. The date of conversion recorded in the Company Members Register is the **Exercise Date**.

### **7. Shares Issued on Exercise**

Shares issued on exercise of the Options rank equally with the then issued shares of the Company.

### **8. Listing of Shares on a Regulated Exchange on Exercise**

If the Company is listed on a regulated stock exchange (**Exchange**) at the time Options are exercised by the Option Holder, the resultant issued shares (that are of the same class as shares already listed on the Exchange) may also be listed on the Exchange in accordance with its listing rules.

### **9. Listing of Options on a Regulated Exchange on Exercise**

The Company, at its sole discretion, may apply to list the Options on a regulated exchange. The Company provides no assurance that listing will occur.

#### **10. Reconstruction of Capital**

If at any time the issued capital of the Company is reconstructed, all rights of an Option holder are to be changed in a manner consistent with the Corporations Act and, if the Company's securities are listed on a regulated exchange at the time, the exchange listing rules at the time of the reconstruction.

#### **11. Participation in New Issues**

There are no participation rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to Shareholders whilst the Options remain un-exercised.

#### **12. Change in Exercise Price**

An Option does not confer the right to a change in Exercise Price or a change in the number of underlying securities over which the Option can be exercised.

#### **13. Transferability**

The Options are transferable. This is subject to

- An instrument in writing being signed by the transferor and the transferee to give effect to the transfer; and
- Delivery of the signed instrument in writing to the Company or its nominated third party registry.

## Annexure B – Terms of the 1.2% New Royalty

The New Royalty entitlement of those shareholders who subscribe for Shares in the New Capital Raising or who have been issued Shares under the previous Capital Raising will be calculated as follows:

$$\text{New Royalty entitlement for each eligible shareholder} = (A / (C-T)) \times ((C-T) / C) \times 1.2\% \times \text{Global Income for the Annual Period}$$

where:

- A is that number of Shares acquired by the shareholder under the New Capital Raising or the March Capital Raising (**Subscribed Shares**) and still held by that person at the time of each royalty calculation.
- T is the cumulative number of Subscribed Shares disposed of by that shareholder prior to each royalty calculation date.
- C is the total number of Subscribed Shares acquired by all Shareholders and investors (other than Nolan or Nolan's Associates or any other person who has an economic or other interest in the Contingent Royalty).

Global Income the same meaning as in the Contingent Royalty Deed.

Annual Period the same meaning as in the Contingent Royalty Deed.

At the conclusion of the New Capital Raising, the Company will advise each Shareholder and investor who participated in the March Capital Raising and/or New Capital Raising of their percentage entitlement to the New Royalty as at the date of the closing of the New Capital Raising.
