

It was an enlightening, life changing experience. Along with experiencing the culture, the foods, and the lives of those living in the the Holy Land, my "eyes have been opened" to the history and plight of the Palestinian people.

Andrew Philipps

Andrew and I just returned from a sixteen day trip through Jordan, Israel and the Palestinian Territory. This small area of the world has such a breadth of history, culture and faith. It has been a life-changing event, undertaken with the help of an inspired leader, Ron Shive.

What a fabulous past two weeks traveling with new and old friends exploring the land we call Holy! Seeing the places I have been reading about, hearing about, and preaching about for literally my whole life was transformative, educational, and faith affirming. Many thanks to Ronald Shive for organizing and leading and William Stewart Rawson for his able leadership.

Rev. John Johnson

The trip to Jordan, Israel, and the West Bank was an absolute wonder, full of fascinating cultural and archaeological visits enriched by readings of passages from the Bible.

Rev. Dr. Paul McAllister

I had a great time. My eyes have been opened. My heart has been touched.
