# Microblade to Machine Conversion Course

**Our conversion course is for microblading artists who have at least 1 year experience in microblading eyebrows to convert their skills to machine shading.**

## Brow Conversion Course

To enroll onto this course, you must have at least 1 year experience in microblading and work to a good standard, consistently microblading. This will allow you to get the most out of the course.

If you have less than 1 year experience, or are not actively microblading brows, our Beginners Course would be perfect for you!

This course will include 3 models.

Machine & mini kit included

## What will I learn?

- Methodical shading techniques
- How to create combination brows
- How to create ombre brows
- Understand needle tapers & configurations
- Understanding layering pixels
- Pigment compositions: organic v inorganic

**Cost: £2000**
