
GLENORCHY CITY COUNCIL

Arguable Failures Checklist for 2018 - 2022 Mayors

1. Financials, GCC is currently the worst financially performing Urban Council in TAS
2. Meetings being held & key discussions taking place outside of council
3. BMX Track & CBD Skate Park
4. KGV & YMCA - Council partnerships & negotiations
5. CBD Revitalisation Project & Bus Mall Temporary Relocation
6. Reduced planning and development delegations *therefore community input*
7. Tolosa St. Project
8. 'Varied the scope' of the Regional Play Spaces at Montrose & Giblins Reserve
9. Overall lack of user-friendly local play spaces & recreational facilities
10. Strategies for the approval & Implementation of programs/projects *i.e. FOGO*
11. Lack of transparency *i.e. closed meetings & limited/inaccurate detail released*
12. Transport *i.e. planning & overall condition of footpaths/roads*
13. Hobart City Deal *i.e. no forecasted or realised benefit to GCC*
14. GASP - Defunded in its last year when due to provide 'practical' outcomes
15. Pool & facility access overall
16. Lack of reasonable action re: climate change
17. Approach to rates, fees/charges, road safety & user-ability, youth & crime issues
18. History of bad debt & infringement write offs *i.e. poor legal & strategic oversight*
19. General Managers extended appointment for 5 years
20. Poor asset, people & community management
21. Community consultation *i.e. minimal engagement & outcomes*
22. Committee overhauls ensured council can lead decisions without expert input
23. Handling of Wilkinson's point & large scale developments
24. Endless bureaucracy *i.e. consultants & plans but limited outcomes*
25. Staff turnover, rates of bullying & complaints about the culture is alarming
26. High number of oversights & post-truth politics fed to the community
27. Withdrew from STCA Southern Tasmanian Council Authority only to now prioritise a similar action group at a recent meeting as follows:

FEB 2022 - Investigate the ESTABLISHMENT OF A
SOUTHERN WASTE JOINT AUTHORITY

POLITICAL CAREER OPPORTUNISTS MAKE FOR TERRIBLE LEADERS BOTH ECONOMICALLY & SOCIALLY. ESPECIALLY WHEN THEIR CORE FOCUS APPEARS TO BE ON \$\$\$ AND THEY STILL FAIL... EVEN AT THAT.
