

Service Level Agreement EA and WFSC

Service Level Agreement

The aim of this SLA is to provide a framework for a partnership between Everyone Active (EA) and Winchester Fitness & Sports Club (WFSC). It is not a contract but may be reviewed and updated periodically by either party.

Whilst the club is not categorised as a protected booking in Everyone Active's contract with Winchester City Council, we recognise the huge social benefit that the club brings to the centre and values the clubs use of facilities.

3.1 General notes on programming.
