Paintball, Rope Course, Obstacle Course, and Events

## KODIAK ISLAND'S ONLY SANCTIONED OUTDOOR RECREATION FIELD

Outdoor Kodiak, LLC is a recreational area specifically for youth and adults as a fun and engaging activity for you and your friends to enjoy. Intended, by design, to offer an affordable means to enjoy a positive atmosphere without economic restraints limiting participation. By volunteering for fieldwork, becoming a referee, or by helping with site improvements, participants can earn free field time in the paintball arena, learn valuable rope climbing/rappelling techniques, or challenge themselves to the obstacle courses designed by Adventure Fitness - all within a controlled environment.
