Letters from your Worthy President & Madam President:

Howdy Everyone,

Boy does this year seem like its flying by, I can't believe we are already getting ready to enter October! I'm a big advocate for supporting our auxiliary ladies so I ask that you support as well and come out for the Breast Cancer Fundraiser on Saturday October 11th, 2025. Let's help them raise a lot of money for a great and important cause!

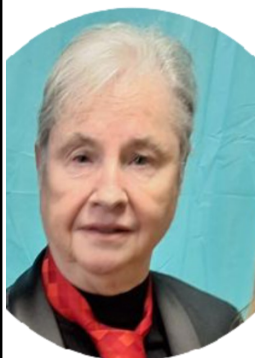

Please make sure you are staying up to date of what's going on in our Aerie home with all the activities and meals that are being planned!

In closing, please make sure to attend your Aerie and Auxiliary meetings, its very sad to see and have poor attendance when we have over 200 members and its always the same five members that attends the meetings every month, we won't survive if we don't have participation. I'm not asking to volunteer every single day, but I do ask to try your best in attending one meeting a month.

Thank you,

Emma Robertson-Saiz

Worthy President 2025-2026 (Member since 2021)

I have paid to have this Letter put in the newsletter, so I will pull no punches.

Members of Aerie 143,

It is time for you to decide why you joined the Eagles. We are a service fraternal order. "People Helping People" is our motto. We do a good job supporting our charities, but not our Aerie. Why are you a member of #143? Is it to have a bar you can go to to spend less on drinks, to get cheaper meals? Get a good steak dinner, the first Friday of the month? Or was it to follow our motto?

I can name most of the people I see at the meal nights. The 15-20 I see at the activities we plan to raise that money we give to our great charities.. Or are you one of the 10 -15 that show up for our bi-weekly meeting. Meetings where how this Aerie is supporting the Eagle Order you joined. We need you to BE Eagles!

Time for a little short look backward. We have our building, because of Bingo. We have had a dedicated group of people who made that possible. They gave up their Monday nights to earn money for this aerie. I joined and saw the hard work they did. But even mountains wear down after a while; the same people cannot do it all. Hell, if you just stopped in to play bingo that would help the Aerie. Bingo brings in about \$500+ per session on average. That money is used to maintain our building and services you have become so use to when you come in; Light, heat or A/C, TVs, and all the other niceties you depend on. With 265 members in this aerie, and only 52 weeks in a year, you would think it wouldn't be hard to get 4-5 people to give up one Monday during the year. There are of course, people who will have to give up every Monday because of State Laws. Still 4-5 others would make it much easier on them.

We all have jobs and commitments, but one night in a year? I'm not writing this letter to the people who over the years I've been a member, seem to always work any time we need volunteers. Not writing it to those ladies of our auxiliary, who are always here! You know them they're here every time you come in for breakfast, or a meal, or a fund raiser. They are the ones who live up to "People Helping People" This is to the other members of our Order who could give a little of their time to ensure our aerie continues for another 124 years. But, those who should show more interest to being an EAGLE.

Please ask yourself, Am I an Eagle for what it gets me, or what I can give others? Why did I go through the time to be interviewed and initiated? Am I a person who really cares about helping others?

Big Mouth Denim

Now you can all stop talking to me when I come in, if you come in; because you don't like this letter
