*Giftng made special.*

*"I have personally used Cutco products for many years and am very pleased that I can share the experience with employees and customers of A&R Builders... we're helping them build a complete set of Cutco knives, several pieces at a time... it's a quality product that is truly unique."* Erma Yoder, A&R Builders Ltd.

— All Cutco knives are —  
**American Made**  
and we are committed to keeping it that way.
