Message from the President

Dear Fellow Mainlands Fivers,

As we welcome the month of June and the beginning of summer, we are reminded of the many reasons we are grateful to call this community home. Summer brings longer days, opportunities to spend time outdoors, and for many, the excitement of travel, family visits, and well-deserved vacations. To those who will be traveling in the weeks ahead, I wish you safe journeys, wonderful experiences, and a safe return home to our community.

As we enjoy the season, I would like to offer a friendly reminder that the strength and beauty of our community depend on all of us doing our part. Our bylaws, rules, and regulations were thoughtfully established and agreed upon by each resident to help preserve the safety, appearance, and quality of life we all value. By following these guidelines and being considerate neighbors, we contribute to a community built on respect, pride, and shared responsibility. Together, we can continue fostering the spirit of unity that makes our neighborhood such a special place to live.

Whether you are spending the summer at home or traveling to new destinations, I encourage you to take time to enjoy the season, connect with neighbors, and appreciate the community we have built together.

Wishing you a safe, healthy, and enjoyable summer.

With Appreciation,
Paul Fagan
President

SUMMER

Please be advised that there will be no Board or Civic Association meetings held during the summer months of June, July, and August. This seasonal pause allows for a break in our regular meeting schedule.

Regular meetings will resume in September, and we look forward to reconnecting and continuing our important community discussions at that time.

If any urgent matters arise during the summer months, residents are encouraged to contact the HOA office for assistance.

Thank you for your understanding, and we wish everyone a safe, relaxing, and enjoyable summer.

With Much Gratitude

In our previous newsletter, we unintentionally omitted recognition of Memorial Day. We would like to take this opportunity

to express our sincere gratitude to the brave men and women who have served and protected our country. We especially honor those who made the ultimate sacrifice in service to our nation. Their courage, dedication, and commitment to preserving our freedoms will never be forgotten.

Newsletter Updates

The HOA leadership also wants residents to know that we truly value the positive input and ideas shared by members of our community. We believe that our neighborhood is strongest when residents are engaged, supportive, and invested in its success. As we continue striving for the unity, growth, and well-being of our community, we welcome constructive suggestions, community announcements, resident spotlights, safety tips, and other positive information that may benefit our neighbors. Your feedback helps us build a stronger and more connected community.

While all submissions will be carefully reviewed, publication will be determined based on available space and whether the content is appropriate for the newsletter and beneficial to the community as a whole.

To better manage newsletter production, newsletters will now be published every other month. The upcoming publication months are:

- August 2026
- October 2026
- December 2026

If you would like to submit an idea, article, announcement, or other information for consideration, please do so by the last day of the month preceding the publication month. Send information to mainlands5communicator@gmail.com

For example:

- For the August newsletter, submissions are due by July 31
- For the October newsletter, submissions are due by September 30
- For the December newsletter, submissions are due by November 30

Thank you for helping us keep our community informed, connected, and engaged. Together, we can continue fostering a neighborhood built on respect, positivity, and community pride.

Reminder: Age Eligibility Requirements for Our 55+ Community

Our community is proud to be designated as a 55+ age-restricted community, offering a living environment designed specifically for active adults. To maintain this designation, we must comply with federal housing laws and age-verification requirements.

As a reminder, residency within our community is limited to individuals who meet the age qualifications established by our governing documents and applicable law. These requirements are not optional; they are legally mandated and help preserve the status and benefits of our 55+ community.

The HOA Board is responsible for ensuring compliance with these age restrictions. Therefore, any reports or concerns regarding individuals who may not meet the age eligibility requirements will be reviewed and investigated. Confirmed violations will be addressed in accordance with applicable laws, governing documents, and HOA policies.

We encourage all residents to ensure that the HOA office has current and accurate occupancy information on file. If there have been changes in residency within your home, please notify the HOA office promptly.

Thank you for your cooperation and commitment to helping preserve the character, integrity, and legal status of our community.

Happy birthday!

Wishing a very happy birthday to all our residents celebrating this month! May your special day be filled with laughter, love, and joy and may the year ahead bring you good health, happiness, and wonderful memories.

Mainlands 5
Clubhouse

With Sympathy

To our neighbors who may be experiencing loss, please know that you are in our thoughts during this difficult time. May you find comfort in cherished memories, strength in each new day, and support from those around you. Our community stands with you, offering care, compassion, and heartfelt sympathy.

Community Census 2026: Your Participation is **REQUIRED** **YOUR CENSUS IS DUE NOW!!!!!!**

Every two years, our community conducts an official census to ensure that our records remain accurate, up to date, and fully compliant with our governing documents.

Your participation is **REQUIRED** to help the Board and management team fulfill these responsibilities. Accurate census data ensures we remain **compliant with state regulations and community bylaws**, while also supporting the smooth and effective operation of our neighborhood.

ALL residents must complete forms! If you have not completed your form, we kindly ask all residents to complete and submit the census **IMMEDIATELY**. Your cooperation ensures we meet our legal obligations and continue maintaining a safe, well-managed, and responsive community.

Thank you in advance for your timely response and for helping us keep our community a wonderful place to live!

Garbage Bins Placement

A Friendly Reminder: Please Keep Garbage Bins Off the Roadway.

As we continue working together to maintain the beauty, safety, and smooth operations of our community, we kindly remind all residents to avoid placing garbage bins on the roadway. While it may seem like a small detail, proper placement of garbage bins plays a big role in keeping our neighborhood safe and accessible for everyone.

When bins are left on the street, they can obstruct traffic flow, block emergency vehicles, and make it difficult for neighbors walking, driving, or navigating mobility devices. Garbage trucks also need clear access to move efficiently through our community on collection days.

To help keep everything running smoothly, please place your bins at the edge of your driveway or curb, making sure they are not positioned in the street. After your trash is collected, kindly return your containers to their proper storage area as soon as possible to maintain a neat and pleasant appearance throughout the neighborhood.

Thank you for doing your part to keep our community safe, orderly, and enjoyable for all. Your cooperation truly makes a difference!

Our Own Dr. Sharetta Remikie Honored During Women's History Month

The Mainlands Five HOA Board is proud to recognize our Vice President, Dr. Sharetta Remikie, for receiving distinguished honors for her outstanding commitment to community service and leadership.

During Women's History Month, Dr. Remikie was recognized by the City of Tamarac as an honoree whose contributions have positively impacted the lives of individuals and families throughout Broward County. In addition to this local recognition, she was presented with a Congressional Proclamation acknowledging her years of dedicated service, advocacy, and leadership within the community.

Dr. Remikie has devoted her professional and volunteer efforts to improving the lives of children, families, women, and underserved populations. Through her work in public service, health equity, education, community engagement, and nonprofit leadership, she has become a respected voice and champion for positive change throughout South Florida.

We are especially proud that someone who serves our community as Mainlands Five HOA Vice President is being recognized at both the local and federal levels for her commitment to helping others. Her achievements reflect the values of service, leadership, and community that make our neighborhood a wonderful place to live.

Please join us in congratulating Dr. Sharetta Remikie on these well-deserved honors and thanking her for her continued dedication to serving others.

Congratulations, Dr. Remikie!

Make a Splash Safely: Pool Safety Tips for Active Adults

Summer is a great time to enjoy our community pool, stay active, and connect with neighbors. Swimming and water exercise are excellent ways for older adults to improve strength, flexibility, and overall wellness.

To help keep everyone safe, please remember:

- Never swim alone if possible.
- Walk carefully—wet pool decks can be slippery.
- Stay hydrated, even while swimming.
- Know your limits and rest if you feel tired or dizzy.
- Use sunscreen and protect yourself from the Florida sun.

Safe swimming is happy swimming!
