Message from the President

Dear Neighbors,

As we welcome October, we find ourselves entering the final months of another year. While our South Florida autumn may not bring colorful falling leaves, it offers us a wonderful opportunity to reflect, embrace gratitude, and enjoy the beauty of the community we call home.

October reminds us that every season brings opportunities for growth, renewal, and connection. As neighbors, we may have different backgrounds, experiences, and perspectives, but we share one common goal: maintaining a safe, welcoming, and vibrant community where everyone feels respected and valued.

As we continue building on our spirit of unity, I encourage each of us to extend a little extra kindness, practice patience, and remember that a strong community is not built by a few, but by all of us working together. Our willingness to respect one another, follow our community guidelines, and take pride in our surroundings makes a lasting difference.

As we look toward the remainder of 2026, let us focus on what brings us together rather than what divides us. Every positive action, no matter how small, contributes to the continued growth and success of Mainlands Five.

Wishing each of you a wonderful October filled with good health, happiness, peace, and meaningful connections. Thank you for being part of our community and for helping make it a place we are proud to call home.

With appreciation,
Paul Fagan
President

Welcome Back, Snowbirds!

There's No Place Like Sunny South Florida!

The sunshine is calling, and we're delighted to welcome our snowbird neighbors back to Mainlands Five!

As the temperatures begin to cool up north, our community is warming up with the return of familiar faces, cherished friendships, and the wonderful energy our seasonal residents bring.

Whether you've spent the summer traveling, visiting family, or enjoying your northern home, we hope your time away was filled with happiness and wonderful memories. We've missed you and look forward to reconnecting!

As you settle back in, we encourage you to join us at community meetings, participate in neighborhood activities, and continue helping us build a community rooted in unity, kindness, and neighborly pride.

To our returning residents, welcome home! Here's to another beautiful season of sunshine, friendship, and making memories together in sunny South Florida.

We're glad you're back!

Community Comes Together for Important Parking Discussion

On October 1, 2026, our residents gathered for an important community meeting with City of Tamarac Commissioner Marlon Bolton to discuss the possibility of including our neighborhood among the City's restricted parking communities.

Commissioner Bolton provided valuable historical information and background on the City's parking ordinance, helping residents better understand its purpose, development, and potential impact on our neighborhood. The meeting offered an opportunity for residents to become informed and participate in a decision affecting our community.

Following the discussion, residents participated in a vote, with the majority voting in favor of making Mainlands Five a restricted parking community.

We extend our sincere appreciation to Commissioner Bolton for taking the time to meet with our residents, share information, answer questions, and graciously provide refreshments for those in attendance.

Thank you to every resident who attended and participated! Your involvement demonstrates the importance of civic engagement and our shared commitment to maintaining a safe, attractive, and welcoming neighborhood.

Together, we continue moving Mainlands Five forward through communication, participation, and unity.

Happy birthday!

Wishing a very happy birthday to all our residents celebrating this month! May your special day be filled with laughter, love, and joy and may the year ahead bring you good health, happiness, and wonderful memories.
