Message from the President

Dear Fellow Mainlands Fivers,

As we welcome the month of May, we embrace a season filled with celebration, appreciation, and continued connection. This month, we honor the love and dedication of mothers, celebrate the vibrant spirit of Cinco de Mayo, and enjoy the many opportunities to come together as a community.

Let us continue building on the unity that makes our our community so special, supporting one another, sharing kindness, and creating a place we are all proud to call home.

As a reminder, our community thrives because we are guided by the rules and governing documents that each of us agreed to upon becoming residents. These standards help ensure a safe, respectful, and enjoyable environment for everyone.

Wishing you a joyful and meaningful May filled with connection, appreciation, and community spirit.

With Appreciation,
Paul Fagan
President

Special Reminders:

Summer Schedule

Please be advised that there will be no Board or Civic Association meetings held during the summer months of June, July, and August. This seasonal pause allows for a break in our regular meeting schedule.

Regular meetings will resume in September, and we look forward to reconnecting and continuing our important community discussions at that time.

If any urgent matters arise during the summer months, residents are encouraged to contact the HOA office for assistance.

Thank you for your understanding, and we wish everyone a safe, relaxing, and enjoyable summer.

Mental Health Awareness Month

May is recognized as Mental Health Awareness Month, a time to remind ourselves that emotional wellness is just as important as physical health, especially as we age. Life changes, grief, caregiving responsibilities, health concerns, and feelings of isolation can all affect mental well-being. Seeking support is a sign of strength.

As a community, let us continue to look out for one another with kindness and compassion. A simple check-in or friendly conversation can make a meaningful difference.
