

December 20, 2022

Dear Canes West Families and Businesses,

As 2022 comes to a close, we would like to thank each and every one of you for your dedication and support. Without you, Canes West would not be as successful as it is today. I am reaching out as every year we invite families and local businesses to sponsor our organization. After thinking of our Canes West families and local businesses in our community, we naturally thought of you, our Canes West family, and supporters who make us successful.

Sponsoring our organization is not only a great way to get involved with the community, it's also an amazing form of marketing for your business or company you are employed. Several companies will match employee donations to nonprofit organizations. For example, when an employee makes a donation, the employee will request the matching gift from their employer, who then makes their own donation. Canes West is a large organization with a lot of exposure for small and large businesses.

Unfortunately, baseball is expensive and not all of the families on our team can afford the cost. We ask for sponsorship to help subsidize the cost of facilities, new equipment/uniforms, scholarships for players who can't afford to play, and travel expenses.

This year, we are asking for sponsorships which can be applied to any type of sponsorship you choose. For example, some of the past scholarships include player sponsorships, scholarships, uniforms, regional sponsorships, program sponsorships or general sponsorships.
