

SIREN | FX

SIREN FX is at the forefront of innovation in the Foreign Exchange Market. Our FCA Regulated Benchmark Rate stands out for its transparency, reliability and compliance with stringent regulatory standards empowering financial institutions to make better informed trading decisions.

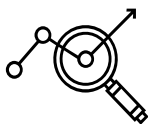

SIREN FX 20-Minute Spot FX Benchmark Rate is based on independently observed prices utilising an Optimal Execution methodology.

The 4pm Benchmark Rate is computed between 3.40pm and 4.00pm and is published at 4.02pm.

A one-second feed is available during this window offering unparalleled visibility and confidence in the Benchmark Rate accuracy and reliability.

SIREN FX Rates are available every 30 minutes through the FX trading week.

SIREN FX offers a fully transparent, lower-cost alternative to existing FX Benchmarks; by providing a path to validate what the true costs are in execution, making it a compelling solution for FX transaction.
