WELCOME TO THE CARIBBEAN

Blazing sunsets over Technicolor seas, teeming with nearly 700 species of fish flitting among 70 types of vivid coral. Trade winds that skim mountain peaks, breathing softly into lush rainforests. Palms rising out of sparkling white beaches. Ethereal cloud forests that float high above mangrove swamps, cactus scrublands, and vast savannahs.

These are the images travelers to the Caribbean's over 700 islets, reefs, cays, and more than 30 islands carry with them. However, the beauty of these paradisiacal destinations goes beyond stunning aesthetic; gorgeous landscapes and year-round sunshine are only the beginning of this region's allure. To get a true picture of the Caribbean, look past what you see and tap into how you feel.

Close your eyes and focus on the sound of steel drums and pounding feet as pulsing reggae, calypso, and other island rhythms echo through the night. Savor what cuisine spooned from a melting pot tastes like—a blend of African, Spanish, Asian, East Indian and European flavors creating a profile all its own. Let the joy and vibrancy of incredible festivals infuse your soul. Escape to a time and place a world away, with elegant hospitality surrounded by colonial architecture on romantic estates, or resorts that provide modern luxury at its finest.

Together, these are the true lasting impressions of the Caribbean—the beautiful, unforgettable moments embedded in your mind and heart forever; an indelible mark from the sweetest of escapes.

Location, Location

The upscale Cap Cana resort area features four amazing beaches and the Caribbean’s largest inland yacht marina, surrounded by elegant shops, upscale dining options, and the award-winning Punta Espada Golf Course.

DOMINICAN REPUBLIC

Has It All

The island nation of Dominican Republic has become a premier vacation spot for Americans, with the Caribbean's most renowned golf courses; full-service marinas; and, of course, resorts that leave you wanting for nothing. Punta Cana's miles of palm-lined, white-sand beaches and affordable all-inclusives have plenty of loyal devotees, and the luxurious golf and marina community of nearby Cap Cana is hot on its heels. La Romana's quaint Altos de Chavón enclave is an exceptional work of livable art, with shops, a gallery, restaurants, amphitheater, and more perched high above golf courses, polo fields, and a marina. In the capital city of Santo Domingo, modern hotels sit on the same cobblestoned streets conquistador Juan Ponce de León once strode upon. In contrast, head to the northern coastline, where Puerto Plata beckons sun-worshippers to its amber shores and natural harbor; and to the peninsula, bay and scenic port town of Samana, the destination of choice for thousands of humpback whales each winter.

PUNTA CANA

The Coconut Coast

Referred to as the Coconut Coast, there's no shortage of palms on the 30 miles of Punta Cana's white-sand beaches. Here, where the Atlantic meets the Caribbean, from the northern tip at Uvero Alto to the south at Cap Cana, this destination boasts some of the most beautiful beaches in the entire Caribbean. Swimming, sailing, angling, and a rich variety of watersports allow you to take full advantage of the sparkling sea.

Yet the beaches are far from the only attraction to cast a spell. Dance to the rhythms of merengue and bachata. Test your luck at a casino. For some great family fun, cool off at some of the Caribbean's best water parks, located on the grounds of favorite hotels.

Looking for more action? Punta Cana is also a golfer's destination, with 10 courses located all along the strip, and a wellness escape home to the country's top spas.

Just a short drive from Punta Cana is the luxurious Cap Cana resort area, featuring four amazing beaches and the Caribbean's largest inland yacht marina, surrounded by elegant shops, upscale dining, and the award-winning Punta Espada golf course.

LA ROMANA

Luxury, History and Harmony

Located on the southeastern coast of Dominican Republic, the upscale destination of La Romana offers some of the Caribbean's most beautiful beaches along with some of its most active pursuits.

Face the "Teeth of the Dog" and three other championship golf courses in the region Casa de Campo made famous. Explore the artisan shops, galleries, restaurants, and nightlife of a 16th century Mediterranean village replica at Altos de Chavon. Bayahibe is the gateway to the country's most-visited natural attraction: Saona Island.

Full of diversions of its own, the up-and-coming town of Miches, set along the northern coast's Samana Bay, beckons travelers to its pristine beaches, natural pools, and sumptuous new resort scene.

For more cultural pursuits, head 60 miles west of La Romana to explore the capital city of Santo Domingo, the first city in the New World and a UNESCO World Heritage Site. When it's time to hit the beach, it's just a short 40-minute ride to Santo Domingo and the azure waters and soft white sands of Boca Chica.

SAMANA

Seaside Seclusion

Set on a peninsula and bay of the same name, the scenic port town of Samana is a peaceful ecotourism destination, full of lush tropical mountain hills, virgin forests like El Valle, beautiful waterfalls, caves with petroglyphs and pictograms ... and countless secluded beaches.

Tread the soft sands of famous Playa Rincon, or those of the paradisiacal island of Cayo Levantado just a few minutes away. Every winter their majestic waters become the destination of choice for thousands of humpback whales who, like any traveler, find leisure in the warm waters.

Dominican Republic
Has it all

PUERTO PLATA

The Amber Coast

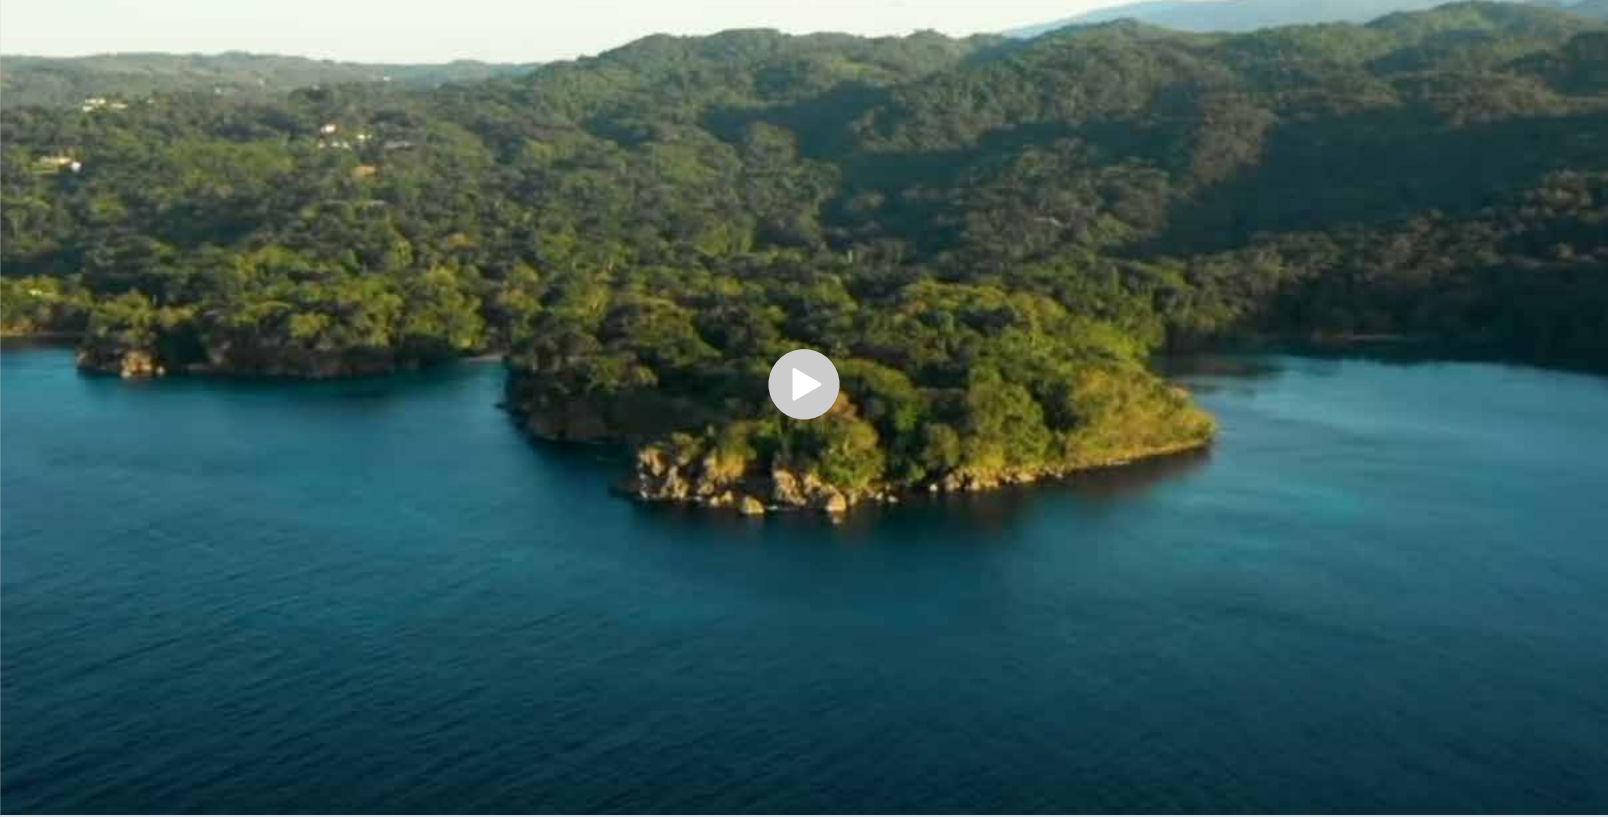

Although named specifically for the silvery hues of its natural harbor, this entire destination is a treasure.

Mountain ranges, Amber Coast sands, and the sparkling Atlantic on Dominican Republic's north shore form Puerto Plata's borders. Nearby, Playa Dorada, a gated resort of all-inclusive hotels situated on an 18-hole golf course, boasts more than two miles of gorgeous shoreline.

Just 25 minutes away is Cabarete, a cool, casual coastal village whose warm waters and trade winds have made it the world's kiteboarding and windsurfing capital—another reason Puerto Plata is even more precious than the metal it's named for.
