## Airfare credits + free drinks.

Your Sailors can *fly* to sea the world's most iconic spots with extra savings to our European homeports. With up to \$1200 in voyage credit to offset their airfare to Barcelona and Piraeus (Athens), they can finally experience the most talked-about destinations on voyages between April 12th, 2023 and April 30th, 2024, plus up to \$600 in free drinks for toasts on board. But don't wait — this offer ends (very) soon, on May 24th.

This offer is combinable with other promotions. Sailors on a voyage of 6 nights or fewer get a free \$300 Bar Tab per cabin. Sailors on a voyage of 7 nights or more get a free \$600 Bar Tab per cabin. A flat rate of \$1200 will automatically be deducted from the voyage fare on any XL Sea Terrace category or lower on Mediterranean sailings; \$500 will be deducted from all other regions.
