## HUSKY SHOWCASE

What an INCREDIBLE show! Thank you for packing the house! We raised over \$7K which will help continue to fund the high-class concerts and musical opportunities that BVNW is known for.

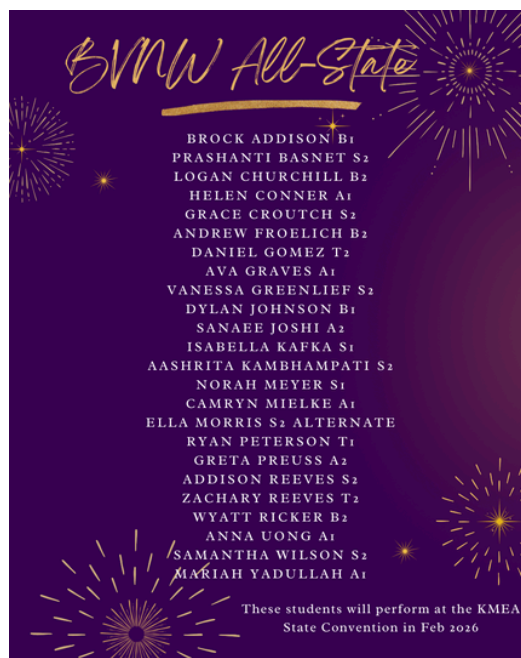

## SOUNDS OF THE HOLIDAYS

We hope you were able to catch the BVNW Chamber Singers performing on the KSHB41 program, Sounds of the Holidays! They represented BVNW so well by sharing choral excellence with the community.

## ALL-STATE CHOIR

Congratulations to the 24 Outstanding Choral Musicians who were selected to the Kansas All-State Choir through rigorous audition and aural skills assessment. BVNW has the most students from any single school in the entire State! They will travel to Wichita in February to rehearse and perform with the best singers in the state!

Parents - make sure your email is up to date with Canvas, as details will be sent through the Canvas Course!
