

## **EXETER-WEST GREENWICH YOUTH SOCCER ASSOCIATION**

### **Executive Committee Nomination**

The EWG Youth Soccer Association has flourished since its inception in 1996, thanks to the dedication of a steady stream of volunteers. However, EWGYSA still needs people willing to give of their time and energy in running the association in order that it may continue to serve the children of Exeter and West Greenwich as well as the surrounding areas.

The association is run by a 12-member executive committee. The committee is comprised of five officers – a president, vice president, secretary, treasurer and registrar – and six directors. Each member serves a two-year term. The final member is the past president, who is eligible to serve as president emeritus. Each director has a specific area of responsibility, and they are empowered to form a subcommittee to further spread the workload. Some of the duties of the board include planning future work at the soccer complex, training referees and coaches, overseeing concessions, fundraising and public relations. The committee meets twice a month, and each member puts in a couple hours of work each week doing their part to assure the smooth operation of the association.

Please consider joining the executive committee. Fresh ideas and new enthusiasm is always welcome. Six positions become vacant each June and are filled in an open election at the Annual General Membership meeting (AGM). If it is their first term, the current holder of the position may also choose to run again.
