

April, 2021

Since 1996, the Exeter-West Greenwich Youth Soccer Association has been providing area youth with the opportunity to learn the game of soccer while strengthening core values in our kids which we hope will serve to create the foundation for their future growth and development in a variety of endeavors. In years past, we have had over 500 participants from Exeter, West Greenwich, Charlho, Coventry, and many other local communities.

With our ever-increasing enrollment, EWGYSA is staging its eight annual golf tournament fundraiser on Sunday, May 23, 2021 at Pinecrest Golf Course. These funds will assist the Association with a number of anticipated projects, such as the construction of a pavilion, the purchase of a fence, maintenance to ensure our fields remain some of the best in the state, and scholarships for recreational and competitive players. These monies also help EWGYSA maintain some of the least expensive registration fees of any sport within Rhode Island so that local youth are able to afford to participate in the beautiful game of soccer. It is our hope that you and your business will partner with us in these efforts, as the strength of our organization lies with its volunteers and the donations of companies like yours.

Along these lines, there are a number of ways you can help. We have one dinner sponsorships for \$500 where your company will receive featured recognition in tournament materials and will be permitted to display an existing company banner in the banquet area throughout the tournament. We also have four limited golf cart sponsorships at \$350 each where your company name/logo will be displayed on each of the tournament golf carts. We are also offering three limited sponsorships to marquee holes for \$250 for your company to advertise its partnership with EWGYSA. These sponsorship signs will be located at each of the three key prize holes (longest drive, closest to the pin, and putting contest). Additionally, we are offering \$100 tee sponsorships which will have your company's name/logo displayed at a tee box on the course for all golfers to see as they round the course. All of these sponsorship levels also include recognition in printed materials that will be distributed during the post-tournament meal and will be included in the golfers' goody bags. This is a great way to stimulate our local economy by marketing your business, while simultaneously supporting a fantastic non-profit organization. We are also accepting donations so if your company has an item that you would like to donate to our post-tournament raffle or something to add to the golfers' goody bags (approximately 72), we would be thrilled to include it in the raffle/goody bag, providing your company with recognition of the donated item at the time of the raffle.

In addition to your charitable contribution, we would also urge you to personally participate in the golf tournament itself. The scramble format allows anyone of any skill level to be able to contribute to the team, but regardless of your abilities, it is a fun and exciting way to spend time with friends and family. The fees for this year's golf tournament are only \$75 per golfer. This fee includes greens fees (9 holes), golf cart, dinner, and two (2) free raffle tickets.

If you are interested in making a sponsorship donation and/or participating in the golf tournament, please complete the attached document and return it, along with your payment, to the address noted therein. Again, we greatly appreciate your support of EWGYSA, and we look forward to hearing from you.

Very truly yours,

Jared Wilbur
