Competitive Tryouts June 6th-8th

You are invited to be part of the EWG Competitive Family!

With our close relationship with the NE Revolution Academy, EWG offers professional coaching that focuses on player development. Our comprehensive training programs will enhance your technical and tactical skills for players looking to advance to the next level. EWG's Competitive and Academy programs provide the environment where players are supported and encouraged to consistently strengthen their abilities and passion for the game.

Players are asked to attend Tryouts for their age group.

There we will meet players, their families and answer any questions you may have about our program.
