Natalie Gives Back

A Meal A Purchase to South African Children

As a South African, I was first-hand witness to the injustice and hardships South African battle each day and I am determined to bring relief to those less fortunate.

Education is paramount to future generations. I firmly believe that reading fosters curiosity, imagination, creativity and ultimately, academic success. However, its very hard to teach a hungry child.

For each Natalie Mills purchase, TOGETHER we donate a nutritious meal to an orphaned and at-risk school child in townships and rural areas.

Only Through YOU is This Possible!

My passion and drive for business is only matched by my passion to give back!

Kindness is the ONLY currency that is doubled when shared, at Natalie Mills we encourage a Culture of Kindness through our Natalie Give's Back programme!

Natalie Give's Back is an in-house philanthropic initiative, focusing on my philanthropic causes - where we are determined to bring relief to those in need.

Only through YOU is this possible and thank YOU for the difference you are making!
