

IT'S A WHALE OF A DEAL!

Whales are more popular than ever before. Whether it's on a cruise, a visit to the Pacific Northwest or Alaska or a beach vacation, whale watching is one of today's most popular attractions.

Take advantage of this whale frenzy!

Now through August 31, Arts of Ecuador is offering a special deal on our Orca, Beluga, and Humpback whale hats: one free whale hat for every ten purchased. You can buy all 10 of a single design or mix and match all three.

What's a better souvenir of a whale sighting experience, than one of our original, handcrafted whale hats? They're made of 100% wool yarn from Ecuador by our talented hat-making families. And your purchase contributes to two good causes: reminding people to save the whales and helping to support home-based family businesses in Ecuador.

Our whale hats are available in both youth and adult sizes. Wholesale prices are \$12 each for youth size and \$13 each for adult sizes.

Hurry, don't be left in the breach 'cause our "Whale of a Deal" ends August 31 (or while supplies last).
