First Edition TUBBZ®

Introducing the TUBBZ® "First Editions," a must-have for serious TUBBZ® collectors to ensure they don't miss out on their favourite cosplay characters.

In the past, TUBBZ® have numbered each figurine and limited their production to a specific quantity, ranging from 1000 to 3000 units. To simplify the process, all new TUBBZ® releases will now be classified as "First Edition."

Once the current stock is sold out, it will no longer be available. However, some of the most popular TUBBZ® may be re-released in the future, but as a boxed variant...

First Editions always
Come in a bath tub!

FIRST EDITION TUBBZ

Introducing the TUBBZ® "First Editions," a must-have for serious TUBBZ collectors to ensure they don't miss out on their favorite cosplayer characters.

In the past, TUBBZ have numbered each figure and limited their production for a specific quantity, ranging from 1000 to 3000 units. To simplify the process, all new TUBBZ releases will now be classified as "First Edition."

Once the current stock is sold out, it will no longer be available. However, some of the most popular TUBBZ may be re-released in the future, but with a unique twist to differentiate them from the original releases.

FIRST EDITIONS ALWAYS COME IN A BATHTUB
