The fastest and easiest way to get a professional looking manicure at home! Our new Kaleidoscope Nail Strips include 16pcs in each pack and 10 assorted designs in each collection.

Plenty of leftovers to keep as accent nails to mix with other styles! Only sold as an assortment, customers will want to mix and match between the collections!

Application Instructions:

1. Wash hands, push back cuticles, file nails, and wipe with alcohol pad
2. Choose size (smaller is better as it can stretch)
3. Remove clear plastic cover on top
4. Peel off paper back
5. Place round end at cuticle bed, hold down, and stretch out to each side as you press/smooth down to the tip of nail
6. File off excess with downward motion, peel away excess, and smooth with finger

Easy peel off for damage free removal!

TIPS:

Seal with top coat. This will keep your nails looking their best for weeks!

Best to apply before bed so strips will have several hours to properly adhere to nails.
