GREEN LIVING TREE

Enchanted Christmas Collection

Hand made using recycle wood and water based paint. After the wood is cut , the surface is painted and crackle, the final design is painted. At the end, we give it a coat of liquid glass . Each ornament have a product tag and an additional information card.

GREEN LIVING TREE

Enchanted Crackle Collection

“Amazing Ornament Carvings” part 1

These carvings are made using Nuts from a tropical palm tree call “Tagua” or “Vegetable Ivory”. The qualities of these nuts are similar to real ivory. The local villages instead of cutting the trees for the lumber, protect them instead and harvest the nut. A great way to preserve the rainforest while providing a sustainable way of living to the local artisans.
