Dear Valued Customers,

We express our heartfelt gratitude for your unwavering support. Each one of you is a valuable member of our Yak & Yeti family, and we are truly grateful for your support since 2002. At Yak & Yeti, we are more committed than ever to providing you with the best possible shopping experience. We enjoy meeting each and every one of you at gift shows and building relationships through our virtual network. This catalog has taken into consideration your feedback and helped us create our favorite collection to date.

Every purchase you make, makes a difference!

Your purchases contribute to our efforts in promoting safe and healthy working conditions for our workers in Nepal. Your support also extends to providing additional assistance not only to their families but also to the wider Nepalese community both in the United States and Nepal, through our donations to local non-profit organizations.

This year, we have made a commitment to continue supporting the education in Nepal by providing funds and supplies directly to schools and orphanages in Kathmandu.

We are once again sponsoring the "Educational Material Distribution Program" organized by the Nuwakot Development Organization for the children of Mahendra Aadharbhut Bidhyala School. A small elementary school catering to 35 children from low-income families, that rely on our ongoing support. We strongly believe in the transformative power of education towards a brighter future, and we will continue to provide financial assistance to the children of our employees.

Furthermore, we are always focusing on ways to improve the environment, and have taken steps to reduce our carbon footprint. A majority of our factory in Nepal operates on solar power, and we provide clean water to all our employees.

We extend our heartfelt gratitude to you for your continued support.

To learn more about our products, we invite you to visit our website and download the complete Spring Summer Catalog for 2024.

Should you have any inquiries or feedback, please do not hesitate to contact us.

*Thank you again for choosing Yak & Yeti.
Namaste*

DREAM CATCHERS

Dream catchers are an ancient spiritual tool of the Native Americans used to help assure good dreams.

A dream catcher is usually placed over your bed. As you sleep, good dreams pass through the center of the dream catcher, while bad dreams are caught in the webbing and are destroyed by the morning light.
