Dear Valued Customers,

Thank you so much for your continued support. We appreciate each and every one of you!

As always, Yak & Yeti aims to make your time with us happy by committing to:

- ❖ *offering you affordable, high-quality products;*
- ❖ *seeking your feedback to further improve our services; and,*
- ❖ *serving the community in the best ways possible.*

Every purchase you make, makes a difference!

Your purchases enable us to encourage safe and healthy work environments for our Nepalese workers.

And, they assist in providing extra support for, not only their families, but the Nepalese community, both here in the United States and Nepal, through donations to local, non-profit organizations.

This year we are committed to supporting education in Nepal by donating funds and supplies directly to the schools and orphanages in Kathmandu Nepal.

*Currently we are sponsoring the “**Educational Material Distribution Program**” organized by Nuwakot Development Organization, for the children of **Mahendra Aadharbhut Bidhyala School**. This is a small elementary school for only 35 children of low-income families, so they need ongoing support from us. We highly believed in the power of education for a better future! We will also continue offering financial support for the children of our employees.*

We also care about the environment. Our factory in Nepal runs 50% by solar power and we provide clean water for all our employees.

Thank you. Thank you. Thank you.

*Please visit our website for more information and download our entire **Fall Winter Catalog 2022**.*

If you have any questions or feedback, please reach out to us!

Namaste

Your Yak & Yeti Team

A woman with long, wavy blonde hair and light makeup is looking towards the camera. She is wearing a long, open cardigan with a bold, abstract black and white pattern over a plain white top. The cardigan has large black buttons and a shawl collar. Her right hand is partially visible, tucked into a pocket. The background is a softly blurred indoor setting with warm lighting.

DREAM CATCHERS

Dream catchers are an ancient spiritual tool of the Native Americans used to help assure good dreams.

A dream catcher is usually placed over your bed. As you sleep, good dreams pass through the center of the dream catcher, while bad dreams are caught in the webbing and are destroyed by the morning light.
