Shipping and Documentation of Products

Our products arrive prepacked at our warehouse from our Indian factories and are subsequently shipped to customers in prepacked boxes. Each shipment is accompanied by a packing slip and an invoice.

To ensure smooth handling, please provide an email address with each Purchase Order (PO). This is crucial as, at times, the packing slip may go unnoticed at the customer's warehouse or shipping address. Having an email address allows us to promptly send the necessary documents to the customer electronically.
