3-D Pop Up Cards

Quilled Cards

Quilling

Hand-made paper greeting cards

Distributed by Poppin Cards & Gifts
www.poppincards.com

Quilling is an art form that involves the use of strips of paper that are rolled, shaped, and glued together to create decorative designs. The paper is wound around a quill to create basic coil shapes. The paper is then glued at the tip and these shaped coils are arranged to form flowers, leaves, and various ornamental patterns that you find in our cards. All of our cards are handcrafted taking approximately one hour to make each one. They truly are a piece of art!

All Quilled cards are 6" x 6" unless otherwise noted, and include an envelope in a complementary color.

How do we make 3-D Pop Up cards? By the use of Kirigami!

Kirigami is similar to origami in that it is a form of paper art. The major difference is that in origami, you fold paper whereas in kirigami, you fold and cut paper.

In the United States, the term "kirigami" was coined by Florence Temko. She used the word kirigami in the title of her book, *Kirigami, the Creative Art of Papercutting*, 1962. The book was so successful that the word kirigami was accepted as the name for the art of paper cutting. In Japan, the word kirigami had been in use for a long time because "kiru" means to cut, and "gami" means paper. So, kirigami meant to cut paper.

Loving memories never die, as years roll on and days pass by. In our hearts a memory is kept, of ones we love and will never forget.

10000-1-2100

Mother, a loving thought a silent tear a happy memory of one so dear.

10001-1-2100

Those we love don't go away they walk beside us every day, unseen, unheard, but always near, still loved, still missed and very dear.

10002-1-2100

You left us beautiful memories, your love is still our guide, although we cannot see you, you're always at our side.

10003-1-2100

Because someone we love is in heaven, there is a little bit of heaven in our home.

10004-1-2100

Father, loving and kind, gentle and true, these are the memories left by you.
