Celebrating 250 Years of America

A Heritage Collection by *Cott'n Curls*

In 2026, America marks an extraordinary milestone - 250 years since the nation's founding. It is more than a date on a calendar; it is a celebration of independence, resilience, creativity, and the spirit that continues to shape everyday American life.

From small towns and open highways to family traditions, hard work, and freedom of expression, this anniversary represents a story still being written.

To honor this historic moment, *Cott'n Curls* proudly introduces its 250th Year of America Collection - a thoughtfully designed range of handbags and apparel that captures the heart of American heritage through a fresh, artistic lens.

A Modern Tribute to Timeless Values

This collection is inspired not just by history, but by the living culture of America today—its landscapes, symbols, traditions, and everyday pride. Our designs reflect a soft, watercolor approach that feels nostalgic yet modern, expressive yet wearable.

From subtle red, white, and blue palettes to hand-illustrated motifs such as stars, florals, wildlife, rural scenes, and Americana icons, each print tells a story—rooted in heritage but designed for today's consumer.

Wearable Americana: A New Apparel Expression

Complementing the handbags, the 250th Year collection also extends into printed apparel, offering customers another way to celebrate this historic year

A Milestone Worth Remembering

America's 250th anniversary is a rare moment—one that will be remembered, celebrated, and shared across generations. With this collection, *Cotton Curls* aims to capture that moment in a way that feels authentic, artistic, and enduring.

We are proud to be part of this celebration and to offer products that honor the past while embracing the present—crafted with care, creativity, and respect for the story of America.
